CV Boot Kit listing grouped by vehicle model
Meaning application for BOTH right and left side of inner axle.
Meaning application for ONLY left side of outer axle.

With the make & model section, looking up a CV boot application by asking for the vehicle manufacturer, model designation and year of manufacturer can be a simple task. Care must be exercised when vehicles have very similar features and large number of variations within the same year, as mistakes can be easily made sometimes. When in doubt, call our support phone lines at 886-4-25821951 for additional assistance.
